(formerly Oxy Long Beach, Inc.) to relinquish approximately 14,466 square feet of the current permit area and retain approximately 8,084 square feet for the continued use of vehicle parking and storage.

**Exempt Status:**

- |                                                                                                                                                |                                                                       |
|------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| <input type="checkbox"/> Ministerial Exemption [Section 21080(b)(1); 15268];                                                                   | <input type="checkbox"/> Common Sense Exemption (Section 15061(b)(3)) |
| <input type="checkbox"/> Declared Emergency (Section 21080(b)(3); 15269(a));                                                                   | <input type="checkbox"/> Other:                                       |
| <input type="checkbox"/> Emergency Project [Section 21080(b)(4); 15269(b)(c)]                                                                  |                                                                       |
| <input checked="" type="checkbox"/> Categorical Exemption. State type and section number: <b>Section 15301 (Class 1. Existing Facilities).</b> |                                                                       |
| <input type="checkbox"/> Statutory Exemption. State code number:                                                                               |                                                                       |

**Reasons why project is exempt:**

Section 15301 (Class 1, Existing Facilities): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The project involves relinquishment of approximately 14,466 square feet of the current permit area under an existing revocable permit involving no expansion of existing or former use of vehicle parking and storage.
