Transportation Department Notice of Exemption

April 28, 2026

PROJECT TITLE: 10th Street Reconstruction Project
Work Order #ZD40051C Task Code #Z1530

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Community of Lakeview

PROJECT DESCRIPTION: The County of Riverside Transportation Department is proposing to replace approximately 0.74 miles of existing asphalt concrete pavement on 10th Street from Reservoir Avenue to Wolfskill Avenue in the community of Lakeview. The County of Riverside General Plan classifies 10th Street as a Secondary Highway. This road is currently a two-lane road with a road width of 24 feet.

The proposed work will consist of grinding in place (pulverize) the existing concrete asphalt pavement on 10th Street, perform moisture conditioning, mixing and recompact grinding with existing native material, and paving back the new base with Hot Mix Asphalt (HMA).

The project will include the following:

- Reconstruction asphalt concrete dikes.
- Reconstruction of asphalt concrete driveways
- Construction of energy dissipator (rip rap installation and cutoff walls).
- Placement of safety edge and shoulder backing.
- Adjustment of valve can
- Application of hydroseeding.
- Restriping of roadway, including pavement markers and reflectors.
- Salvage/removal and installation of new signs.
- Utility adjustments

4080 Lemon Street, 8th Floor · Riverside, CA 92501 · (951) 955-6740
P.O. Box 1090 · Riverside, CA 92502-1090 · FAX (951) 955-3198

ENVIRONMENTAL ANALYSIS:

This project is subject to compliance with the Western Riverside County MSHCP. In accordance with Section 7 of the Western Riverside County MSHCP, necessary operation and maintenance along existing roadways are considered a covered activity outside/inside of cell criteria area/conservation areas. This project is considered to be operation and maintenance; therefore, it is a covered activity under the Western Riverside County MSHCP.

If tree and/or vegetation removal takes place during the typical migratory bird breeding season (February 1 – August 31), a pre-construction nesting survey will be conducted pursuant to the Migratory Bird Treaty Act of 1918 and California Fish and Game Codes Section 3500, 3503, 3503.5, 3513, and 3800.

Due to Burrowing Owl habitat present within the project area, within 30 days prior to the beginning of ground disturbance, a pre-construction presence/absence survey for the Burrowing Owl shall be conducted by a qualified County biologist, as required by the WRMSHCP. This can be performed simultaneously with the nesting bird survey if it is required.

The County of Riverside Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

Section 15301 (c) – Existing Facilities – The project proposes to reconstruct 0.74 miles of 10th Street from Reservoir Avenue to Wolfskill. The project in its entirety is consistent with Section 15301(c) because it does not create additional automobile lanes and involves no expansion of use of the existing roadway and associated facilities.
