Project Title: Alternative Education Campus Project
Project Applicant: Sanger Unified School District
Project Location (include county): Dewitt Ave. Webster St. Rawson Ave. Seventh St., Fresno County
Project Description:

The proposed project would redevelop and improve an existing Sanger Unified School District educational and administrative campus. Project components include construction of approximately 5,440 square feet of new buildings, installation of approximately 9,120 square feet of relocatable classroom, administrative, restroom buildings, and interior renovation of the existing district office building. The project would relocate the existing parking lot and construct a new driveway with access to Seventh Street. Additional improvements include development of a multipurpose/dining facility, Career Technical Education (CTE) facilities, service and delivery areas, playfields, recreational courts, landscaped areas, and associated site infrastructure. The project would also relocate an existing resource room and install security lighting and other site improvements. Existing Alternative Education High School and Community Day School uses would remain on site.

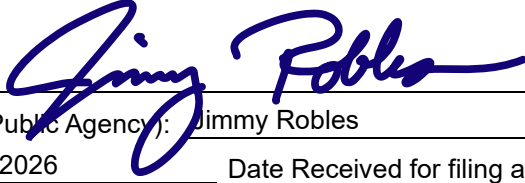

This is to advise that the Sanger Unified School District has approved the ISMND for the above
