

NOTICE OF EXEMPTION

TO: County Clerk
County of Alameda
1106 Madison St. – First Floor
Oakland, CA 94607

FROM: City of Livermore
1052 South Livermore
Livermore, CA 94550

SUBJECT: NOTICE OF EXEMPTION in compliance with the California Environmental Quality Act.

PROJECT

Title: Site Plan Design Review Modification (SPDRM) 26-020
Location: 255 Mountain Vista Parkway Livermore, CA 94550
Description: Project proposes to install a new dust collector and associated ductwork, a new concrete pad, bollards, and corrugated metal screening equipment at the exterior back of an existing industrial building.
Applicant: Glenn Bolich, Architect
City's Contact: Jesse Garcia, Assistant Planner
Telephone: (925) 960-4450
Public Agency Approving Project: City of Livermore

EXEMPT STATUS:

- ☒ X Categorical Exemption (Sec. 15303, 15301)
- ☐ Declared Emergency (Sec. 15269(a); 21080(b)(3))
- ☐ Emergency Project (Sec. 15269(b)(c); 21080(b)(4))
- ☐ Ministerial (Sec. 15268; 21080(b)(1))
- ☐ Statutory Exemption
- ☐ "Common Sense" Exemption (Sec. 15061(b)(3)) The possible environmental impacts of the project have been considered in making this determination, as explained below.

Reasons why project is exempt:

Section 15303 of the CEQA Guidelines exempts projects involving the construction and location of new structures and installation of new small equipment and facilities in small structures. The project involves the installation of a new high-efficiency, continuous-duty modular industrial cartridge dust collector (Donaldson Torit Downflo Evolution 4-48) and new concrete pad, replacing existing asphalt, a 17-foot-tall, corrugated metal screening enclosure for the dust collector, and bollards to surround the enclosed structure. Therefore, the project qualifies for a Class 3 categorical exemption.

Additionally, Section 15301 exempts projects involving the minor alteration of existing facilities, including interior or exterior modifications, where the project involves negligible or no expansion of the existing or former use. The project involves the installation of new ductwork

associated with the installation of a new dust collection system located on the exterior of the building. Therefore, the project also qualifies for a Class 1 categorical exemption.

Furthermore, none of the exceptions to the categorical exemption listed in CEQA Guidelines Section 15300.2 apply.

Signature:

Name & Title:  Jesse Garcia, Assistant Planner

Project Approval Date: July 31, 2026

NOTE TO APPLICANTS:

The environmental determination finding of Categorical Exempt is subject to appeal within 180 days from project approval. If you wish to shorten this period to 35 days, you must file this document with the Alameda County Clerk at the address listed above. A \$50 filing fee is required.
