Project Title: LAHD - Addendum to the Cooperative Agreement among POLA, POLB, and SCAQMD

Project Location - Specific: San Pedro Bay Port Complex

Project Location - City: Los Angeles

Project Location - County: Los Angeles

Description of Project:

This project is an Addendum to the Cooperative Agreement among POLA, POLB, (each a Port and collectively, Ports) and SCAQMD that seeks to develop plans for zero-emission infrastructure for port-related operations. The proposed Addendum includes three new incentive-based and funding measures for zero-emission infrastructure relating to ocean-going vessels and trucks, defines a role for SCAQMD during development and implementation, a commitment to a public process, enforcement, and reporting during the 5-year term of the original agreement.

- ☒ Statutory Exemptions. State code number: Section 15061(b) (3) and 15262

Reasons why project is exempt:

The activity is covered by the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA; A project involving only feasibility or planning studies for possible future actions which the agency, board, or commission has not approved, adopted, or funded does not require the preparation of an EIR or negative declaration but does require consideration of environmental factors. This section does not apply to the adoption of a plan that will have a legally binding effect on later activities; Basic data collection, field testing, research, experimental management and resource activities of City Departments, Bureaus, divisions, sections, offices, or officers which do not result in serious or major disturbances to an environmental resource.
