Project Title: Cache Creek Rehabilitation Project

Lead Agency: Caltrans

Contact Name: Obaida Akther

Email: Obaida.Akther@dot.ca.gov

Phone Number: (530) 812 3325

Project Location: Esparto
City

Yolo
County

Project Description (Proposed actions, location, and/or consequences).

The California Department of Transportation (Caltrans) proposes the Cache Creek Rehabilitation Project on State Route (SR) 16 in Yolo County between Post Mile (PM) 15.1 (0.1 mile west of County Road 68) to PM 20.5 (0.3 mile east of County Road 78A). This project proposes Resurfacing, Restoration and Rehabilitation (3R) to improve pavement condition and roadway safety. The scope of work includes pavement rehabilitation using full depth reclamation of the entire road surface and base materials to be recycled and reused on site, widen shoulders to 8 feet, replace and widen the existing bridges with upgraded bridge railings to accommodate standard shoulder width, replace nonstandard guardrails and end terminals in compliance with the Manual for Assessing Safety Hardware (MASH), replace nonstandard roadside signs, and implement complete street features where feasible.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

This proposed project would have No Impact on: Aesthetics, Agriculture and Forestry Resources, Cultural Resources, Geology and Soils, Land Use and Planning, Mineral Resources, Population and Housing, Recreation, Transportation, Tribal Cultural Resources.

The proposed project would have Less Than Significant Impacts to: Air Quality, Energy, Greenhouse Gas Emissions, Hazards and Hazardous Materials, Hydrology and Water Quality, Noise, Public Services, Utilities and Service Systems, Wildfire.

Less Than Significant with Mitigation Incorporated to Biological Resources and Mandatory Findings of Significance.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No areas of controversy were identified by the lead agency, other review agencies, or the public.

Provide a list of the responsible or trustee agencies for the project.

California Department of Fish and Wildlife, Regional Water Quality Control Board, US Army Corps of Engineers and US Fish and Wildlife, the Office of Historic Preservation and CA Transportation Commission.
