TO: State Clearinghouse, Governor's Office of Land Use & Climate Innovation (LCI)

FROM: Marin Trujillo Cuevas, Executive Director, Facilities Maintenance, Vallejo City Unified School District

SUBJECT: Request for Revision/Correction to CEQA Notice of Exemption – SCH #2026080709 (Grant Demolition Project)

This memorandum serves as a formal request from the Vallejo City Unified School District (Lead Agency) to request a correction to the published CEQA Notice of Exemption (NOE) submittal for State Clearinghouse (SCH) **#2026080709** for the **Grant Demolition Project**.

The original submittal inadvertently listed two Assessor's Parcel Numbers (APNs):

- **APN #0061-123-090**
- **APN #0061-124-010**

APN #0061-123-090 corresponds to the parking lot located across the street from Grant School, where no demolition, construction, or physical changes of any kind took place under this project. This parcel was listed inadvertently.

We respectfully request that the State Clearinghouse update the project record on CEQAnet to **remove APN #0061-123-090**. The correct and only APN associated with the Grant Demolition Project is **APN #0061-124-010.3.**

In Partnership,
