Project Information

Project Title: AT&T Zinfandel Lane Site Telecommunication Facility / Site Plan Approval Modification,
File #P26-00098-SPA

County Permit(s): Telecommunication Facility Site Plan Approval Modification

Project Location: The project is located on an Approximately 202.61-acre property at 1978 W. Zinfandel Ln. within the AW (Agricultural Watershed) zoning district.

Project APN 027-100-045-000

Project Location - County: Napa

Project Location - Nearest City: St. Helena

Project Description: Site Plan Approval Modification to modify an existing telecommunication facility to include: a) installation of three (3) antennas; b) removal and replacement of one (1) equipment cabinet; and c) removal, replacement, and rotation of appurtenant cables, mounts, and equipment on the tower and within the ground lease area.

Project Applicant Name: Angela Newberry, 241-412-7851

Project Applicant Address: 2700 Watt Avenue, Sacramento, CA 95821

Exempt Status

Categorical Exemption. It has been determined that the Telecommunication Facility Site Plan Approval Modification project will not have a significant effect on the environment and is exempt from the California Environmental Quality Act pursuant to Appendix B of Napa County's Local Procedures

for Implementing CEQA (Additional Categorically Exempt Projects in Napa County), Item No. 2 - Existing telecommunication facilities: Modification and renewal of the permits thereof.

Reasons why project is exempt: There is no reasonable possibility that the project would have a significant effect on the environment or damage scenic resources because there will be only minor changes to the existing telecommunication tower and minimal improvements within the ground lease area. Based on the proposed project as described above, the Telecommunication Facility Site Plan Approval Modification meets the criteria for eligibility under Item No. 2 of Appendix B of Napa County's Local Procedures for Implementing CEQA (Additional Categorically Exempt Projects in Napa County). The project is not on any lists of hazardous waste sites.

A certified document of exemption finding is attached.

A Notice of Exemption has been filed by the public agency approving the project.
