

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: Amador County Unified School District Consolidation Program Project

Lead Agency: Amador County Unified School District

Contact Name: Jared Critchfield

Email: jcritchfield@acusd.org Phone Number: 209.257.5353

Project Location: Sutter Creek, Jackson, and Lone
City

Amador County
County

Project Description (Proposed actions, location, and/or consequences).

ACUSD is considering a program to consolidate six schools onto five campuses. The District proposes to:

- Combine Amador High School (HS) & Argonaut HS at the Amador HS campus.
- Move District Adult Education Program and the Adult Transition Program to Jackson Junior High School Campus
- Combine Lone Junior HS & Jackson Junior HS at Argonaut HS.
- Move District Adult Education Program and the Adult Transition Program to Jackson Junior High School
- Move Grades Preschool through 5th Grade from Lone Elementary School Campus to Combine with 6th Grade at Lone Junior High School Campus
- Close Lone Elementary School

Enrollment capacities changes and site improvements would occur at some of the schools. See Notice of Intent (NOI) for more details.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Less than significant with mitigation incorporated:

- Air Quality (Mitigation Measures AQ-1 regarding compliance with Sacramento Metropolitan Air Quality Management District Basic Construction BMPs).
- Biological Resources (Mitigation Measures BIO-1 and BIO-2 regarding avian and roosting bat surveys)
- Cultural Resources (Mitigation Measure CUL-1 regarding process for archaeological and cultural finds)
- Geology and Soils (Mitigation Measure GEO-1 regarding paleontological monitor)
- Transportation (Mitigation Measure TRA-1 regarding Transportation Demand Measures)

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Issues and concerns raised about the proposed project are transportation-related and include concerns about potential impacts to local circulation to and from campuses during pick-up and drop-off times for students; student parking in residential neighborhoods; and pedestrian safety.

Provide a list of the responsible or trustee agencies for the project.
