NOTICE OF EXEMPTION

May 27, 2026

PROJECT TITLE: **County of Riverside Roadway Safety Action Plan**
Work Order: ZD3-0166B Task Code: Z1035

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Countywide - Riverside County, California

PROJECT DESCRIPTION:

The County of Riverside Safety Plan (RivCo SAP) is a planning study for possible future action. The Plan has three (3) main goals: analyze the existing safety conditions or roadway network in unincorporated Riverside County, identify potential transportation safety improvements, and reduce and eventually eliminate severe injuries and fatalities on roads in unincorporated Riverside County. Additionally, the Plan is meant to be a roadmap that improves transportation safety throughout the County.

This Plan does not impose any requirements on others or the County but serves to provide information and guidance for any possible future transportation improvements to the transportation network and infrastructure in the unincorporated Riverside County region. Such transportation improvements have been considered and evaluated in the County of Riverside's Environmental Impact Report No. 521 for its General Plan Amendment No. 960 which was certified by adoption of Resolution No. 2015-259 on December 8, 2015, M.O. 3-54 by the Riverside County Board of Supervisors.

The Plan was reviewed to ensure consistency with the County's General Plan. This Plan does not commit funding or approve any implementing safety-oriented infrastructure improvements but merely adopts a safety plan to aid in efforts to achieve the goals described in the Plan.

The County of Riverside Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

Section 15262 - Feasibility and Planning Studies – The project is exempt from CEQA due to the project involving only a planning study for possible future actions which have not been approved, adopted, or funded.

Section 15276 - Transportation Improvement and Congestion Management Programs – The project is exempt from CEQA since CEQA does not apply to the development or adoption of a regional transportation improvement program.

By: Lisa Ann Wadley, PMP, Association Transportation Planner
