Present Land Use/Zoning/General Plan Designation:

Vacant / Undeveloped; Residential Estate (R-E); Very Low Density Residential (VLDR)

Project Description: (please use a separate page if necessary)

The Proposed Project includes a General Plan Amendment from the existing land use designation of Very Low Residential (VLDR) to Low Density Residential (LDR), a Rezone from Residential Estates (R-E) to One-Family Dwelling (R-1), and a Tentative Parcel Map to facilitate the subdivision of a 0.74-acre site located at 369 South Austin Road (APN: 228-020-50). The proposed entitlements would allow the creation of four (4) residential parcels for the development of four (4) single-family dwellings and one (1) additional parcel (Parcel A) that would be dedicated for future right-of-way improvements.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
