Project Title (Application Number): Studebaker Abutment Emergency Wall Repair

Project Location – Specific: Studebaker Road, 600 ft south of Loynes Drive, public right of way

Project Location – City/County: **City of Long Beach, Los Angeles County, California**

Description of Nature, Purpose and Beneficiaries of Project:

Emergency repair work on a bridge abutment wall following damage from two vehicular accidents. The project consists of the installation of debris fall protection, a debris containment boom, and shoring for the existing damaged wall, excavation behind the damaged wall, construction of a new concrete abutment wall in the same location as the damaged wall, backfilling the excavation area, and restoring the metal railing and adjacent road surface. The project will restore the retaining wall to its original condition. Emergency replacement of the damaged wall will stabilize the area, restore the protective barrier, and reduce the risk to motorists, workers, and the public.

Public Agency Approving Project: **City of Long Beach, California**

Person or Agency Carrying Out Project: Winston Greene, Civil Engineer, Public Works Department
