NOTICE OF EXEMPTION

Conditional Use Permit 2026-003

The City of Clovis has determined that the project described below will not have a significant effect on the environment and shall be exempt from the provisions of the California Environmental Quality Act (CEQA). The project listed is exempt pursuant to CEQA Guidelines, section 15332 (In-fill Development Projects).

Exemption Filed With: Fresno County Clerk, 2220 Tulare Street, Fresno, CA, 93721
Office of Planning & Research, 1400 10th Street #100, Sacramento, CA 95814

Lead Agency: City of Clovis, 1033 Fifth Street, Clovis, CA 93612

Lead Agency Contact: Eric Garcia, (559) 324-2364, EricG@ClovisCA.gov

Project Title: Conditional Use Permit (CUP) 2026-003

Project Applicant: Crossover Church of God

Project Location: 434 Fifth Street, Fresno County; located on the southwest corner of Fifth Street and Woodworth Avenue (APN: 492-202-02).

Project Description: CUP2026-003, Adopting a Class 32 Categorical Exemption from further environmental review under the California Environmental Quality Act and approving a conditional use permit to formally allow an existing church at 434 Fifth Street to operate and authorize an expansion.

Exempt Status: Categorical Exemption, section 15332 (In-fill Development Projects)

Reasons Why Project Is Exempt: The project listed is exempt from CEQA pursuant to CEQA Guidelines, section 15332 (In-fill Development Projects).

a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations.

The proposed project is consistent with the Mixed Use Village General Plan Land Use designation and the C-3 Zone District. The project is consistent with applicable

E20261000262

General Plan goals and policies that encourage appropriate infill development, well-managed growth, and responsible development and redevelopment that preserves the quality of life in existing neighborhoods.

The project is also consistent with Goal 5, which supports a city that provides housing, employment, and lifestyle opportunities for residents of all ages and incomes. In addition, the project supports the General Plan's broader objectives for reinvestment in and continued use of existing developed areas. The proposed accessibility improvements will enhance the usability of the existing facility for members of the community, including individuals with mobility and other accessibility needs, without changing the established community-serving character of the site.

b) The proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses.

The project is located within the city limits on a total of ±0.51 acres, which is surrounded by other urban uses.

c) The project has no value as habitat for endangered, rare or threatened species.

The site has no value as habitat for endangered, rare, or threatened species.

d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality.

The Project has operated at this location since 1924. According to Clovis Police Department service records, there are no documented parking or circulation issues associated with the site. Additionally, the proposed expansion of the project's lobby and terrace would not increase the size or occupancy of the existing sanctuary. Therefore, the proposed improvements are not expected to result in significant effects related to traffic, noise, air quality, or water quality.

e) The site can be adequately served by all required utilities and public services.

The Project has operated at this location since 1924 and is currently served by existing utilities and public services. The proposed improvements would continue to utilize these existing services and would not require substantial new or expanded utility or public service infrastructure.

None of the exceptions identified in CEQA Guidelines section 15300.2 apply to the project.
