NOTICE OF EXEMPTION

To: County of Los Angeles
County Clerk
Environmental Filings
12400 Imperial Highway
Norwalk, California 90650

From: County of Los Angeles
Department of Parks and Recreation
Land Management Section
1000 South Fremont Avenue Unit #40
A-9 West, Third Floor
Alhambra, California 91803

Project Title: Pamela County Park
Roofing and Surfacing Project

Project Location - Specific: Pamela County Park
2236 Goodall Ave.
Duarte, CA 91010

Project Location - City: The unincorporated community of South Monrovia Islands

Project Location - County: Los Angeles

Description of Nature, Purpose, and Beneficiaries of Project:

The 3-acre Pamela County Park (Park) features picnic areas, basketball courts, a skate park, a community building, a gymnasium, and multi-use fields. The Park is heavily used by local residents and includes key amenities, such as the community building, play area, and skate park, that are in need of repairs to ensure the Park continues to serve the public safely and effectively. The community building hosts a variety of activities and classes for children, teens, adults, and seniors, including EveryBody Plays after-school programs, OurSPOT teen programs, Women's Group support network events, seasonal arts and culture events, and youth, teen, and senior nutrition programs.

The proposed project scope includes replacement of the community building roof, existing play area safety surfacing, skate park equipment, and light fixtures, as well as related site improvements.

Name of Public Agency Approving Project: Los Angeles County

Name of Public Agency Carrying Out Project: Los Angeles County

Exempt Status (check one):

NOTICE OF EXEMPTION

Reasons why project is exempt:

The project is consistent with the State CEQA Guidelines. The project is consistent with Section 15301, Class 1, which provides for the repair, maintenance, or minor alteration of existing public facilities. This includes, but is not limited to, Class 1(d), which provides for the restoration or rehabilitation of deteriorated or damaged structures, facilities, or mechanical equipment to meet current standards of public health and safety.

The project is also consistent with Section 15302, Class 2, which provides for the replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the replaced structure. This includes, but is not limited to, Class 2(c), which provides for the replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity.

The project is also consistent with the County CEQA Guidelines. The project is consistent with Class 1, which provides for the repair, maintenance, or minor alteration of existing public facilities. This includes, but is not limited to, Class 1(c), which provides for the restoration or repair of buildings, structures, equipment, and appurtenances required because of accumulated maintenance not performed.

The project is also consistent with Class 2, which provides for the replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the replaced structure. This includes, but is not limited to, Class 2(e), which provides for the replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity.

The County has considered the cumulative impact of the proposed activities and determined that the cumulative impact of the specified activities will not result in significant impacts on the environment that would constitute an exception to the Class 1 and Class 2 categorical exemptions, as described in Section 15300.2(b) of the CEQA Guidelines.

The County has considered the potential for significant impacts on the environment resulting from the specified activities and determined that there are no unusual circumstances that would result in significant effects on the environment constituting an exception to the Class 1 and Class 2 categorical exemptions, as described in Section 15300.2(c) of the CEQA Guidelines.

The specified activities will not result in damage to scenic resources, such as trees, historic buildings, rock outcroppings, or similar resources, or involve work within a highway officially designated as a state scenic highway that would constitute an exception to the Class 1 and Class 2 categorical exemptions, as described in Section 15300.2(d) of the CEQA Guidelines and Section 21084(c) of the CEQA Statutes.

The specified activities do not involve work on a site included on any list compiled pursuant to Section 65962.5 of the Government Code relating to solid and hazardous wastes and do not constitute an exception to the Class 1 and Class 2 categorical exemptions, as described in Section 15300.2(e) of the CEQA Guidelines and Section 21084(d) of the CEQA Statutes.

The specified activities would not cause a substantial adverse change in the significance of a historical resource, as specified in Section 21084.1 of the CEQA Statutes, and do not constitute an exception to the Class 1 and Class 2 categorical exemptions, as described in Section 15300.2(f) of the CEQA Guidelines and Section 21084.1 of the CEQA Statutes.
