Project Title: King Elementary School Classroom Building Project

SEP 10 2026

TIME
12:43pmProject Applicant: Fresno Unified School District

Project Location - Specific:

1001 East Florence Avenue, Fresno CA 93706

FRESNO COUNTY CLERK
BY [Signature] DEPUTY

Project Location - City: FresnoProject Location - County: Fresno

Description of Nature, Purpose and Beneficiaries of Project:

Construction of a new approximately 9,500-square-foot permanent classroom building on the existing King Elementary School campus. In addition to the new classroom building, the project includes modification of an existing fire access lane, relocation of two existing portable classroom buildings for temporary use as interim housing during construction, removal of the two relocated portable classroom buildings following completion of construction. The project also includes site improvements for grading, utility connections, concrete paving, accessible pathways, drainage improvements, landscaping, irrigation, and exterior lighting. 

Name of Public Agency Approving Project: Fresno Unified School DistrictName of Person or Agency Carrying Out Project: Fresno Unified School District

Exempt Status: (check one):

- ☐ Ministerial (Sec. 21080(b)(1); 15268);
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
☒ Categorical Exemption. State type and section number: 15302 Replacement or Reconstruction
☐ Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The proposed project qualifies for a categorical exemption under CEQA Guidelines Section 15302 (Replacement or Reconstruction). The project involves the replacement of existing portable classroom buildings with a new permanent classroom building of substantially the same purpose and use, located on the same site, and resulting in negligible expansion of use or capacity. The project would modernize outdated facilities to provide a safe, efficient, and permanent educational environment while maintaining the existing operational scale of the campus.
The project would not trigger any exceptions to categorical exemptions under CEQA Guidelines Section 15300.2. No exceptions to the use of a categorical exemption apply.
The project would not result in cumulative impacts, significant effects, or impacts related to scenic highways, hazardous waste sites, or historical resources. Therefore, the project qualifies for an exemption from CEQA.
