Project Description: (please use a separate page if necessary)

The Livermore Area Parks and Recreation District (LARPD) proposes to adopt a comprehensive update of the Parks, Recreation, and Trails Master Plan (proposed Plan) to guide the development, enhancement, and management of parks, trails, recreation facilities, open space, and programs within LARPD's jurisdiction over the next ten years. The proposed Plan is a programmatic document and is intended to guide development of future parks and recreation projects within the Plan area and does not directly authorize any physical development or improvements. Any future physical park and facility improvements would be subject to separate environmental review on a project-specific basis, in accordance with the provisions of CEQA and the State CEQA Guidelines.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
