Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: LKQ Adelanto Expansion (PROJ-2020-00030)

Lead Agency: San Bernardino County

Contact Name: Luis Rodriguez

Email: Luis.Rodriguez@lus.sbcounty.gov Phone Number: 909-387-4106

Project Location: 11010 Calleja Road (Highway 395/Calleja Rd.), Unincorporated Adelanto, San Bernardino County
City *County*

Project Description (Proposed actions, location, and/or consequences).

A Policy Plan Amendment from Rural Living to Special Districts-Regional Industrial and a Zoning Amendment from Rural Living 5-acre minimum (RL-5) to Special Districts-Regional Industrial (SD-RL) and a Conditional Use Permit to establish a vehicle storage and salvage facility in unincorporated San Bernardino County with sphere of influence from the City of Adelanto.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

1. In the event that cultural resources are discovered during project activities, all work in the immediate vicinity of the find (within a 60-foot buffer) shall cease and a qualified archaeologist meeting Secretary of Interior standards shall be hired to assess the find.
2. If pre-contact cultural resources are discovered and avoidance cannot be ensured, the archaeologist shall develop a Monitoring and Treatment Plan, the drafts of which shall be provided to YSMN for review and comment. The archaeologist
3. If human remains or funerary objects are encountered, work in the immediate vicinity (within a 100-foot buffer of the find) shall cease and the County Coroner shall be contacted for the duration of the project.
4. The YSMN Cultural Resources Management Department shall be contacted of any pre-contact cultural resources discovered during project implementation, and be provided information regarding the nature of the find, so as to provide Tribal input with regards to significance and treatment. Should the find be deemed significant, a Cultural Resources Monitoring and Treatment Plan shall be created by the archaeologist, and all subsequent finds shall be subject to this Plan.
5. Any and all archaeological/cultural documents created as a part of the project (isolate records, site records, survey reports, testing reports, etc.) shall be supplied to the applicant and Lead Agency for dissemination to YSMN.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No comments received from the public after Project Notice circulation. One comment letter provided by Yuhaaviatam of San Manuel Nation (YSMN, also known as the San Manuel Band of Mission Indians) recommending mitigation measures rid in previous section.

Provide a list of the responsible or trustee agencies for the project.

None. San Bernardino is the lead agency with no responsible or trustee agencies involved.
