Exempt Status: **(check one):**

☐ Ministerial (Sec. 21080(b)(1); 15268);
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
☒ Statutory Exemption pursuant to PRC § 21080(b)(4)and CEQA Guidelines § 15269(c)
☐ Categorical Exemption. State type and section number:
☒ Common Sense Exemption pursuant to CEQA Guidelines §15061(b)(3)
☒ Other: Not subject to CEQA pursuant to PRC § 21065 and CEQA Guidelines § 15378(b)(5)

Reasons why project is exempt:

The action is not a "project" under the California Environmental Quality Act (CEQA) and is therefore not subject to CEQA pursuant to PRC § 21065 and CEQA Guidelines § 15378(b)(5), because it is an administrative activity of government that does not result in direct or indirect physical changes to the environment. In the alternative, if the action were considered a project, it is statutorily exempt pursuant to PRC § 21080(b)(4) and CEQA Guidelines §15269(c) as a specific action necessary to prevent or mitigate an emergency by supporting the County's emergency preparedness and hazard mitigation planning framework. The action also qualifies for the common sense exemption pursuant to CEQA Guidelines § 15061(b)(3) because it can be seen with certainty that there is no possibility that the action may have a significant effect on the environment. No specific projects are approved by this amendment. Future projects under the 2015 AHMP will be reviewed separately for CEQA compliance prior to approval.
