PROJECT TITLE: LAFCO 3282 – Countywide Service Review for Local Park and Recreation

PROJECT LOCATION: The service review is for the entire San Bernardino County, organized by the LAFCO defined regions for San Bernardino County – Valley, Mountain, North Desert, and South Desert.

DESCRIPTION: A service review, as defined by Commission policy and State law, is a comprehensive review to inform LAFCO, local agencies, and the public about the provision of municipal services. LAFCO 3282 is the service review for Local Park and Recreation within San Bernardino County.

PUBLIC AGENCY APPROVING THE PROJECT: Local Agency Formation Commission

AGENCY CARRYING OUT PROJECT: Local Agency Formation Commission

EXEMPT STATUS AND REASONS: The Local Agency Formation Commission has determined that this proposal is exempt from environmental review since it does not have the potential for resulting in physical changes in the environment, directly or ultimately (Sections 15061 of the State Guidelines for the California Environmental Quality Act). The service review, which focuses on the Local Park and Recreation services provided by the individual agencies does not by itself cause any modifications to the physical environment. Only when a subsequent step is taken to physically revise the jurisdictional boundary or the range of services does a potential for physical change in the environment occur. Therefore, the service review is exempt from the requirements of CEQA, as outlined in the State CEQA Guidelines, Section 15061 (b)(3). Without any identifiable physical changes, this proposal does not constitute a project and is not subject to environmental review under the provisions of the State CEQA Guidelines sections cited above or the Commission's adopted CEQA Guidelines
