Project Title: Tamano Irrigation Pipe (Streambed Alteration Agreement EPIMS Notification No. YOL-68197-R2)

Project Location: The project is located at the Sacramento River, in the County of Yolo County, State of California; Coordinates; Latitude 38.621444, Longitude -121.563361 (WGS 84 datum, decimal degrees); Assessor's Parcel Number 042-250-025-000.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number YOL-68197-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Jane Tamano.

The project is limited to the replacement of the existing portions of the steel pipe, which has a 156-foot by 14-inch section and a 24-foot by 12-inch section up and over the levee, with a 14-inch pipe. The existing siphon breaker on the landside hinge will also be replaced in-kind. A positive closure device on the waterside hinge will be installed to meet the current standard. The existing cutoff wall will be removed in its entirety to also meet current standards. The required soil compaction and pipe leakage testing will be performed. The Project also includes the diversion of water from the Sacramento River for irrigation.

Public Agency Approving Project: California Department of Fish and Wildlife

Person / Public Agency Carrying out Project:

Jane Tamano
50980 County Road 128A

Exempt Status:

Categorical Exemption. Class 1 and 2; California Code of Regulations, title 14, sections 15301 and section 15302 (c).

Reasons why project is exempt: Class 1 because the Project consists of the operation, repair, and maintenance, of existing private structures, facilities, mechanical equipment, involving negligible or no expansion of existing or former use. Class 2(c) because the Project involves the replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced.
