Exempt Status (Check one)

- [X] No possible significant environmental effect [Sec. 21082.2; 15061(b)(3)];
[] Ministerial [Sec. 21080(b)(1); 15268];
[] Categorical Exemption. Section Number: Section 15305 (Class 5)
[] Statutory Exemptions. State Code Number:

Reason why project is exempt: Pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15061(b)(3) because Negative Declaration No. 674 was previously adopted by the Board of Supervisors for Article 41 Telecommunications, Chapter 2 Zoning, Title 9 Planning and Zoning, and after conducting the initial environmental evaluation for the Code Amendment CA 6-24/25-02 of the Zoning Ordinance, which showed no potential adverse effects on the environment, it can be seen with certainty that there is no possibility that the project may have a significant effect on the environment because the project action is a Zoning Ordinance amendment causing no ground disturbance and any future ground disturbance as a result of the construction of a new telecommunications facility in the Timberland Production Zone ("TPZ") would be analyzed in conformance with CEQA during the discretionary special use permit process.
