Project Description (Proposed actions, location, and/or consequences).

The proposed Quicksilver Estates Project (project) includes the development of a residential subdivision on a portion of the property at 19960 Almaden Road in unincorporated Santa Clara County, California. The project would consist of 44 detached single-family residences, including six residences reserved for lower-income households, along with private streets, parking, utilities, stormwater and wastewater facilities, landscaping, common areas, and related site improvements.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

To be determined.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

To be determined.

Provide a list of the responsible or trustee agencies for the project.
