RESOLUTION NO. 1665

MAKING CERTAIN DETERMINATIONS RELATED TO THE CALIFORNIA ENVIRONMENTAL QUALITY ACT AND AUTHORIZING STAFF TO FILE SEPARATE NOTICES OF EXEMPTION FOR SCHOOL FACILITY IMPROVEMENT PROJECTS

WHEREAS, the Twin Rivers Unified School District ("District") is committed to maintaining and improving school facilities to ensure safe, functional, and sustainable learning environments for students and staff; and

WHEREAS, on the respective dates identified in **Exhibit A**, the District's Board of Trustees ("Board") approved the fifteen facilities projects listed therein (collectively, the "Projects"); and

WHEREAS, the Projects consist of repair, replacement, accessibility, utility, fencing, roofing, heating, ventilation and air-conditioning, flooring, play-area, shade-structure, and other minor improvements at existing, developed school sites, as more particularly described in the corresponding project records and Notices of Exemption; and

WHEREAS, the California Environmental Quality Act (Public Resources Code section 21000 et seq.) ("CEQA") and the State CEQA Guidelines (California Code of Regulations, title 14, section 15000 et seq.) provide categorical exemptions for classes of projects that ordinarily do not have a significant effect on the environment; and

WHEREAS, the District has reviewed the scope, location, approval records, and conditions applicable to each Project at the time of its approval and has determined that each Project fell within one or more of the categorical exemptions identified in **Exhibit A**, including Class 1 (Existing Facilities; Guidelines section 15301), Class 2 (Replacement or Reconstruction; section 15302), Class 3 (New Construction or Conversion of Small Structures; section 15303), Class 4 (Minor Alterations to Land; section 15304), Class 11 (Accessory Structures; section 15311), and Class 14 (Minor Additions to Schools; section 15314); and

WHEREAS, based on the administrative record for each Project and the physical and regulatory conditions existing when each Project was approved, none of the exceptions to the categorical exemptions set forth in State CEQA Guidelines section 15300.2 applied; and

WHEREAS, although the Board approved the Projects on the dates identified in **Exhibit A**, the corresponding Notices of Exemption were not filed at that time. The District desires to consolidate and memorialize the categorical-exemption findings for the Projects and to authorize the filing of a separate Notice of Exemption for each Project; and

WHEREAS, this Resolution is administrative in nature: it does not change any Project's original approval date, approve a new or expanded scope of work, reauthorize any contract, or authorize additional physical work beyond that previously approved.

WHEREAS, District staff or designee will file Notices of Exemption (**Exhibit A**) with the Sacramento County Clerk and the State Clearinghouse in compliance with CEQA Guidelines Section 15062.

NOW, THEREFORE, BE IT RESOLVED that Twin Rivers Unified School District in Sacramento County, California, hereby issues this Resolution that determines, declares, and resolves as follows:

1. The foregoing recitals and **Exhibit A** are true and correct and are incorporated into this Resolution by this reference.
2. The Board confirms and adopts, for each Project, the categorical-exemption findings and supporting rationale identified in **Exhibit A** and in the project record.
3. The Board finds, based on the record and the conditions existing at the time of each Project's approval, that none of the exceptions in State CEQA Guidelines section 15300.2 applied to any Project.
4. The Superintendent, or the Superintendent's designee, is authorized and directed to finalize, execute, and file a separate Notice of Exemption for each Project with the Sacramento County Clerk and electronically with the State Clearinghouse in the Office of Planning and Research, and to take other ministerial actions reasonably necessary to complete and document those filings.
5. The Superintendent, or the Superintendent's designee, may make minor, non-substantive revisions to the Notices of Exemption and supporting materials that are consistent with this Resolution and do not alter a Project's approved scope or exemption determination.
6. This Resolution shall take effect immediately upon its adoption.

PASSED and ADOPTED by the Board of Trustees of the Twin Rivers Unified School District on the 15th day of September 2026 by the following vote.
