Project Description (Proposed actions, location, and/or consequences).

The City of Torrance proposes a focused General Plan amendment to address consistency with the 2022 Housing Element and compliance with recent State legislation, including Senate Bill (SB) 379, SB 1000, Assembly Bill (AB) 1889, SB 1425, and AB 2684.

The focused amendment consists of updates to three General Plan elements: Land Use Element, Safety Element, and Community Resources Element. The revisions range from text revisions to discussion sections, updates to maps, tables, and photographs, and the introduction of new objectives and policies.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

No significant or potentially significant effects identified, no mitigation measures proposed as part of Negative Declaration.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
