AGENCY OF FILING PRINTED NAME AND TITLE

Crystal Duenas, Deputy County Clerk-Recorder

RETURN TO:

City of Petaluma  
Public Works Department  
1318 Redwood Way, Suite 120  
Petaluma, CA 94954

**NOTICE OF EXEMPTION**

---

TO: Sonoma County Clerk  
585 Fiscal Drive, Room 103  
Santa Rosa, CA 95403

**Project Title:** Crosswalk and Signal Improvements (C16502640)

**Project Applicant:** Nate Luna, Project Manager, City of Petaluma Public Works Department, 1318 Redwood Way, Suite 120, Petaluma, CA 94954; [nluna@cityofpetaluma.org](mailto:nluna@cityofpetaluma.org) (707) 778-4387

**Project Location:** Citywide several locations, Petaluma, Sonoma County, CA

**Project Description:** The City of Petaluma will enter into a construction contract for accessibility and multimodal safety improvements at various intersections along Sonoma Mountain Parkway and at the intersection of East Madison and North McDowell Blvd. Project improvements include pedestrian crossing and guardrail upgrades, installation of median refuge islands, construction and upgrades of curb ramps, rapid flashing beacons, signage and striping modifications. The improvements are intended to enhance safety and accessibility for pedestrians, motorists, and bicyclists. Construction is anticipated to occur between October 2026 and January 2027, with an estimated duration of approximately 60 working days. Construction activities will require temporary lane closures to accommodate the work; however, no roadway widening beyond the existing right-of-way is proposed. The project is described in detail in the City's 100% Plan Set, dated February 2026, which is incorporated herein by reference and maintained in the project administrative record. Council took action on September 28, 2026 to approve the award of contract.

**EXEMPT STATUS:**

**Statutory Exemptions**

{Article 18: Section 21080; 15260}

☐ Ministerial {Sec.15268}

☐ Feasibility/Planning Study {Sec.15262}

☐ Emergency Project {Sec.15269}

**Categorical Exemptions**

{Article 19: Section 21084; 15300}

☒ Existing Facilities {Sec.15301}

☒ New Construction {Sec.15303}

☐ Minor Alteration to Land Sec.15304}

**Reasons why project is exempt:** The project consists of alterations to existing roadway improvements and installation of pedestrian safety improvements within the existing public right-of-way. The project is designed to enhance multimodal safety while maintaining the existing function of the roadways. The project does not expand the roadway beyond its current capacity or operational footprint. As such, the Project is exempt from CEQA pursuant to CEQA Guidelines Sections 15301 (Existing Facilities) and 15302 (Replacement or Reconstruction). The project will not result in an expansion of existing roadway capacity or use, and no unusual circumstances or significant environmental impacts will occur. Furthermore, none of the exceptions set forth in CEQA Guidelines Section 15300.2 apply (e.g., cumulative impacts, scenic highways, hazardous waste sites, or impacts on historic resources). Therefore, the project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Sections 15301 (Existing Facilities) and 15303 (New Construction).
