Reason why project is exempt:
Pursuant to Title 14, Sections 15332 (Class 32, In-Fill Development Projects) and 15303 (Class 3, New Construction or Conversion of Small Structures), this project is categorically exempt. The project is the construction of one 1.0 million gallon water storage tank, approximately 86 feet in diameter, on a previously graded 1.65-acre site within the city limits of the City of Orange Cove, designated Industrial and zoned M-1 Light Manufacturing. The site is under five acres, is substantially surrounded by urban uses, has no value as habitat for endangered, rare, or threatened species, and is served by existing utilities and public services. Additionally, this project would not result in any significant effects relating to traffic, noise, air quality, or water quality.
Furthermore, pursuant to Section 15300.2 (Exceptions), no exception applies, and there is not a reasonable possibility that this project will have a significant effect on the environment due to unusual circumstances associated with this project.
