Present Land Use/Zoning/General Plan Designation:

The Lincoln Park Lake Improvements area has a General Plan land use designation and zoning designation of Open Space. The Green Street Network Drywells and Landscape Improvements areas would be located within public rights-of-way and have no General Plan land use or zoning designations; surrounding properties are designated and zoned for residential, commercial, and industrial uses.

Note: The State Clearinghouse will assign identification numbers for all new projects. If an SCH number already exists for a project (e.g. Notice of Preparation or previous draft document), please fill in.

Project Description:

The Project includes three components: Lincoln Park Lake Improvements; installation of approximately 37 to 50 drywells with associated storm drain infrastructure; and installation of approximately 172 street trees along selected public streets in Lincoln Heights. Lake improvements would include sediment removal, shoreline stabilization, pump house and circulation and aeration system upgrades, passive bioswales, and associated landscape and hardscape modifications. The drywells would capture, treat, and infiltrate runoff from an approximately 125-acre drainage area and would be sized to achieve an 80 percent long-term pollutant load reduction. The Project would provide short-term water quality improvement in Lincoln Park Lake, reduce pollutant loads to the Los Angeles River, enhance lake, park, and streetscape infrastructure, reduce localized flooding, increase groundwater recharge, and improve the neighborhood's visual quality through landscaping. These objectives would support the Safe Clean Water Program and broader water quality goals for the Upper Los Angeles River watershed.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X". If you have already sent your document to the agency, please denote that with an "S".

X	Air Resources Board (ARB)		Natural Reserve System, University of California (UCNRS)
	Attorney General		Natural Resources Agency, California
	Baldwin Hills Conservancy (BHC)		Parks and Recreation, Department of
