Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: District of Tranquillity Sanitary Sewer Collection System and Wastewater Treatment Plan Improvements

Lead Agency: Tranquillity Public Utility District

Contact Name: Mike Pucheu

Email: tranquillitypublicutility@gmail.com Phone Number: 559-312-4768

Project Location: Tranquillity, Fresno County
City *County*

Project Decription (Proposed actions, location, and/or consequences).

Project Location: The District of Tranquillity is situated in the Central Valley in Fresno County approximately four miles northwest of City of San Joaquin and approximately 11 miles southwest of City of Kerman. The project area is bound by Amador Avenue to the west, James Avenue to the north, Morton Avenue to the south, and Colorado Road to the east. The sewer pipeline improvements will occur within the District boundaries.

Project Description: The District proposes to rehabilitate approximately 2,921 LF of gravity sewer mains using trenchless construction methods, replace approximately 2,059 LF of gravity sewer mains via conventional construction methods, and provide miscellaneous repairs and improvements to the District's WWTP.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The proposed project results less than significant impacts with mitigation incorporation to biological and cultural resources.

A brief description of mitigation measures included in the Mitigated Negative Declaration include:

Mitigation Measures Biology: Protection measures for Northwestern Pond Turtle and Nesting Migratory Birds. Includes preconstruction surveys, avoidance/minimization, timing of construction, provisions for what to do if species are found, consultation, and similar protection measures.

Mitigation Measure Cultural Resources: Avoidance and/or care of undiscovered/unknown cultural resources.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None so far. A CEQA public hearing will be held on November 16, 2026

In addition, the public, local agencies, and stakeholders will be informed via newspaper noticing and direct mailing.

Provide a list of the responsible or trustee agencies for the project.

The proposed Project will include, but not be limited to, the following regulatory requirements:

- The adoption of a Mitigated Negative Declaration by the Tranquillity Public Utility District
- Regional Water Quality Control Boards approval
- CA State Water Board compliance
- Air District Permits
- Compliance with other federal, state and local requirements.
