October 9, 2026

To: California Department of Transportation

Subject: Yreka Union School District 2026 Halloween Parade

The City of Yreka has worked with Yreka Union School District staff to establish a permitted route for the District's annual Halloween Parade, to be held on October 30, 2026, from 10:00 a.m. to 11:00 a.m. In partnership with the City's engineering firm, the City has developed an engineered traffic control plan to ensure public safety during the associated road closures.

The City supports this event, which brings our community together to celebrate local youth, and respectfully supports the District's request that the California Department of Transportation waive the encroachment permit fees for the parade.

Sincerely,

William Ibershof, ICMA-CM
City Manager
