NOTICE OF EXEMPTION

ENDORSED FILED
YUBA COUNTY CLERK/RECORDER
OCT 07 2026
DONNA HILLEGASS, Clerk
BY NELIDA WILLIAMS
DEPUTY CLERK

TO: County Clerk
County of Yuba
Marysville, CA

FROM: Reclamation District 784
1594 Broadway St.
Arboga, CA 95961

PROJECT TITLE: **Application to LAFCO for Detachment 1,281.40 acres within Reclamation District 784**

PROJECT LOCATION: **Yuba County, south and east of Marysville**

DESCRIPTION OF PROJECT: The proposed project involves the detachment of 1,281.4 acres from Reclamation District 784.

NAME OF PUBLIC AGENCY APPROVING PROJECT: Reclamation District 784

NAME OF PERSON OR AGENCY CARRYING OUT THE PROJECT: Patrick Meagher, General Manager

EXEMPT STATUS: CEQA Guidelines Sections 15301 and 15061 b(3) General Rule Exemption

REASONS WHY THIS PROJECT IS EXEMPT: This action is exempt from the California Environmental Quality Act pursuant to Section 15301, Existing Facilities, because by this action no changes to any structures are contemplated and the action will not alter existing District operations or obligations. The District has not been providing any services to these lands for over one year, which services the State is providing instead. The State has assumed responsibility for the operation and maintenance of the levees surrounding this area, so there will be no change in services. This action is exempt pursuant to Section 15061 b(3) because this action is covered by the general rule that CEQA applies only to project which has the potential for causing a significant effect on the environment. The District is applying to have its boundaries changed since the State is now responsible to operate and maintain this levee system, thus operation and maintenance will continue as before, but simply by a different agency. The boundary change will not make any changes in the uses to which the land involved might be put and is not a necessary step in the development of the land. *(Simi Valley Recreation & Park Dist. v. Local Agency Formation Comm.* (1975) 51 Cal.App.3d 648, 665-666.) The District has no general land use authority, is not proposing to alter land use, and therefore there is no possibility that this activity may have a significant effect on the environment. The District also finds there is no evidence in the record that an unusual circumstance exists with respect to this action.

2026 ENVIRONMENTAL DOCUMENT FILING FEE CASH RECEIPT

DFW 753.5a (REV. 01/01/26) Previously DFG 753.5a

NOTICE

Each project applicant shall remit to the county clerk the environmental document filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars ($50) per filing in addition to the environmental document filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- ☐ Collect environmental document filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- ☐ Issue environmental document filing fee cash receipt to project applicant.
- ☐ Attach copy of environmental document filing fee cash receipt and, if applicable, previously issued cash receipt, to NOD.
- ☐ Mail environmental document filing fee for **CRP** document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- ☐ Attach No Effect Determination to NOD *(no environmental document filing fee is due)*.

Filing Notice of Exemption (NOE) *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- ☐ Issue environmental document filing fee cash receipt to project applicant.
- ☐ Attach copy of environmental document filing fee cash receipt to NOE *(no environmental document filing fee is due)*.

Within 30 days after the end of each month in which the environmental document filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall submit the documents below to CDFW on a monthly basis by mail or CDFW's File Transfer Portal (see below):

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash environmental document filing fee cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs and NOEs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD and NOE has been filed. If this information is contained on the environmental document filing fee cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain a copy of the environmental document filing fee cash receipt and all documents described above for at least 12 months.

RECEIPT NUMBER

The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
The next eight digits automatically populate when a date is entered.
The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.

For access to CDFW's File Transfer Portal, submit email to CEQA@wildlife.ca.gov (Subject line: [County name] FTP account).
