Reasons why project is exempt:

Categorical Exemption Section 15301 Existing Facilities (Class 1): The Class 1 Categorical Exemption consists of the operation, repair, maintenance, permitting, leasing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The JRP grants Tesoro approximately 1,200 square feet of existing railroad right of way land for construction laydown, involving negligible or no expansion of existing or former use.

The Port has determined that none of the exceptions to the exemptions in the California Environmental Quality Act (CEQA) Guidelines Section 15300.2 foreclose the use of Categorical Exemption CEQA Guidelines Section 15301 (Class 1); therefore, the Project is exempt from CEQA and no further environmental review is required.
