To Whom It May Concern,

The Planning and Building department would like to withdraw this posting. It was discovered after posting that the language of two mitigation measures required editing. To fix these changes, we have decided to withdraw the posting. We will submit a new post with the corrected information and restart the 30-day review period.

If there are any questions regarding the changes please direct any questions to the Project Manager: Eric Tolle (etolle@co.slo.ca.us)

Thank you for your assistance.

Sincerely,

Shea Fuentes
