NOTICE OF EXEMPTION

Project Title: Installation of EV Charging Infrastructure at OC Waste & Recycling Active Landfills (OC Waste & Recycling Log #741)	
Project Location – Specific Frank R. Bowerman Landfill (FRB) located at 11002 Bee Canyon Access Rd., Irvine, CA 92602 Olinda Alpha Landfill (OAL) located at 1942 N. Valencia Ave, Brea, CA 92823 Prima Deshecha Landfill (PDL) located at 32250 Avenida La Pata, San Juan Capistrano, CA 92675	
Project Location – City Irvine, Brea, and San Juan Capistrano	Project Location – County Orange County
Project Description: OC Waste & Recycling (OCWR) proposes the approval of the County of Orange's participation in the Southern California Edison's Charge Ready Transport (CRT) Program to reduce the county's cost for fleet electrification that is needed to comply with California Public Utilities Commission (CPUC) mandates. The CRT Program provides incentives to public agencies by either allowing SCE to design and construct ready-made electrical infrastructure on participant property or providing rebates of up to 80 percent for customer-constructed make-ready infrastructure. Participating in the CRT Program requires the execution of program agreements with Southern California Edison (SCE) and for certain sites, allowing temporary construction and/or permanent utility easements to allow SCE to install and operate electrical infrastructure. If approved, the proposed project will include the installation of EV (electrical vehicles) charging infrastructure at the County's three (3) active landfills. All work is within the existing OCWR Landfill property.	
Public Agency Approving Project: OC Waste & Recycling	Date of Decision October 12, 2026 400 W. Civic Center Dr. Santa Ana, CA 92701
Public or Private Applicant: OC Waste & Recycling, 601 N. Ross Street, 5 th Floor, Santa Ana, CA 92701	
Exempt Status: (Check One) _____ Ministerial [CEQA Guidelines Section 15268] _____ Statutorial [Type and Section Number]: _____ Declared Emergency [Section 15269 (a) & (b)] _____ Emergency Project [Section 15269 (a) & (b)] _____ X _____ Categorical Exemption (Class 1) _____ Gen. Rule [Sec. 15061(b)(3)]	
Explanation of Exempt Status: The proposed action is Categorical Exempt (Class 1) from the provisions of CEQA pursuant to CEQA Guidelines Section 15301, since the project consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment or topographical features, involving negligible or no expansion of existing or former use. OCWR's participation in the CRT Program would allow the installation of EV charging infrastructure at the three (3) existing, active county-owned landfills and would minimize county expenditures associated with fleet electrification.	
Contact Person: Leila Barker	Phone Number: 714-834-4013

NOTE: Exempt of County Fees per Government Code Section 6103
