EXEMPT STATUS: ***(Check All that Apply)***

- ☐ Categorical Exemption
- ☐ Statutory Exemption
- ☑ General Rule Exemption
- ☐ Disapproved Project

Reasons why proposal is exempt: In accordance with the California Environmental Quality Act (CEQA), the Local Agency Formation Commission of Napa County determined on October 5, 2026, that the proposed Sphere of Influence Amendment is not subject to CEQA because it is not a "project" under CEQA Guidelines Section 15378. The action merely updates long-range planning spheres, does not authorize any physical development or physical changes to the environment, and does not serve as an entitlement for development. Furthermore, the action is exempt under the Common Sense Exemption (CEQA Guidelines Section 15061(b)(3)) as it can be seen with certainty that there is no possibility that the amendment of planning spheres may have a significant effect on the environment. The Commission's findings are based on its independent judgment and analysis. Records are located at 1754 Second Street, Suite C, Napa, CA 94559.
