Project Title: Safe Routes to School High Priority Improvements Project

Project Location: This project is located along various streets in the City of San Bruno, County of San Mateo, California.

Description of Nature, Purpose, and Beneficiaries of the Project: Implementation of high priority infrastructure improvements focused on creating a safer walking and biking environment in the vicinity of each of the nine (9) schools of San Bruno Park School District as identified in the City of San Bruno Safe Routes to School Plan. Improvements will benefit bicycle and pedestrian safety, comfort, and convenience, which will promote increased physical activity of students and their associated wellness and learning outcomes. Additionally, improvements will reduce vehicle traffic and air pollution near schools. Improvements consist of high visibility crosswalks, school and pedestrian signage, striped curb extensions, sidewalk, pedestrian curb ramps, and Rectangular Rapid Flashing Beacons. Location of improvements will be in the public right-of-way within the vicinity of Decima Allen Elementary, Belle Air Elementary, Capuchino High, Palos Verdes & El Portal Schools, John Muir Elementary, Monte Verde Elementary, Parkside Intermediate, Portola Elementary, and Saint Robert's School. Primary beneficiaries of the project are students, school faculty, residents, and the general public.
