Project Title: The Installation of a Large Trash Capture Device on Castro Valley Boulevard near Redwood Road in Castro Valley, Alameda County, California

Project Location - Specific: Castro Valley Boulevard west of intersection with Redwood Road in Castro Valley

Project Location - City: N/A **Project Location - County:** Alameda

Description of, Nature, and Purpose of Project: The Alameda County Public Works Agency (County) proposes to install a large underground trash capture device on Castro Valley Boulevard near Redwood Road in the unincorporated community of Castro Valley, Alameda County, California. The Project is intended to support the County's efforts to achieve the 100% trash load reduction requirement established under its current Municipal Regional Stormwater NPDES Permit (MRP 3) issued by the San Francisco Regional Water Quality Control Board. Two new cast-in-place reinforced concrete structures will divert low flows to the large trash capture device. The device will remove trash and debris before the treated water drains into Castro Valley Creek. Approximately 100 linear feet of reinforced concrete pipe will be constructed to connect the new structures. The excavation footprints will be approximately 15 feet long by 15 feet wide for each of the cast-in-place structures and approximately 17 feet long by 12 feet wide for the trash capture structure. The maximum excavation depth will be approximately 13 feet. All proposed improvements and excavation footprints will be within the County road right-of-way.

Name of Public Agency Approving Project: Alameda County Public Works Agency

Name of Person or Agency Carrying Out Project: Alameda County Public Works Agency

EXEMPT STATUS (check one):

- ☐ Ministerial. (Sec. 21080(b)(1); 15268);
- ☐ Declared Emergency. (Sec. 21080(b)(3); 15269(a));
- ☐ Emergency Project. (Sec. 21080(b)(4); 15269(b)(c));
- ☒ Categorical Exemption. Sec. 15301, Class 1: Existing Facilities
- ☐ Statutory Exemption (state section number)
- ☐ Other

Reasons Why Project Is Exempt: The proposed project consists of the minor alteration to existing structures and facilities involving negligible expansion of use beyond that existing at the time of the lead agency's determination.
