MEMORANDUM

Date: October 29, 2026

To: State Clearinghouse

From: Jennifer Castellanos, Administrative Technician, City of Livermore

Subject: Request for Withdrawal of Notice of Exemption for the Flying Electrons Lease Agreement SCH No. 2026100980

The City of Livermore requests withdrawal of the Notice of Exemption (NOE) submitted to the State Clearinghouse on October 27, 2026, for the above-referenced project.

The NOE was filed in error before project approval due to a scheduling miscommunication. The project has not yet been approved; however, City Council consideration of the project is anticipated at a future meeting.

Please identify the previously filed NOE as withdrawn. Should the City Council approve the project and determine it is exempt from CEQA, City staff will file a new NOE following that action.

Please feel free to reach out to me directly with questions or concerns at 925-960-4453 or jcastellanos@livermoreca.gov. Thank you for your assistance.
