Name of Person or Agency Carrying Out Project: Marysville Community Development Department

Exempt Status: *(check one)*

☐ Ministerial (Sec. 21080(b)(1); 15268);

☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));

☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));

☒ Categorical Exemption. State type and section number: Class 1. Existing facilities. Section 15301, 15300.2(f)

☐ Statutory Exemptions. State code number: _____

Reasons why project is exempt:) The project qualifies for a Class 1 Categorical Exemption under the California Environmental Quality Act (CEQA Guidelines Section 15301, Existing Facilities), which exempts the operation, repair, maintenance, and minor alteration of existing private structures involving negligible or no expansion of use. The repainting of an existing single-family residence and its accessory garage is among the clearest examples of the class.

Staff has considered the exception at CEQA Guidelines Section 15300.2(f), under which a categorical exemption may not be used for a project that may cause a substantial adverse change in the significance of a historical resource. The building is not listed on any register or the City's inventory, and the application of paint to previously painted surfaces does not alter, remove, or damage any historic material, feature, or spatial relationship; it is fully reversible. Paint color, standing alone, does not constitute a substantial adverse change in the significance of a historical resource within the meaning of Public Resources Code Section 5020.1(q) and CEQA Guidelines Section 15064.5(b). The exception accordingly does not apply, and no other exception under Section 15300.2 is implicated.
