Project Name: Public Utilities Department Material Storage Bins Emergency Demolition (Construction Change Order No. 1)

Internal Order No: 21005771

Project Location-Specific: The proposed project site is located within the City Operations Yard at 2781 Caminito Chollas, San Diego, CA 92105 (APN: 477-490-07-00), in the Eastern Area neighborhood of the Mid-City Communities Community Planning Area (Council District 4).

Project Location-City/County: San Diego/San Diego

Description of nature and purpose of the Project: City Council approval to authorize Change Order No. 1 for contract K-25-2375-EMR-3 between the City of San Diego and Orion Construction Corporation for the additional materials, labor, and work elements required to remove the storage material bins, grade the project site, and cover the soil to complete the project.

Failure to complete the repairs further increases the likelihood of injury and impacts on surrounding property and City utility operations. The proposed work is the minimum necessary to ensure adequate operational capacity of the facility and public health and safety. All areas impacted by the emergency will be restored to their pre-impact condition to the extent feasible upon completion of work.
