Project Title: Maytime Salute to Veterans Parade on Tidelands Avenue
Project Applicant: Karen McManus, President, Maytime Band Review Association, P.O. Box 2297, National City, CA 91951; (619) 587-1059
Project Location – Specific: Tidelands Avenue, National City, CA 91950
Pepper Park, 3299 Tidelands Avenue, National City, CA 91950
Project location – City: National City
Project Location – County: San Diego

Description of Nature, Purpose, and Beneficiaries of Project: The proposed event is the Maytime Salute to Veterans Parade in the city of National City, California, that consists of a one-day parade in the Fall to celebrate military heroes. The parade would begin at West 32nd Street and head south along Tidelands Avenue, ending at Pepper Park. The proposed event, including set-up and breakdown, is expected to have a duration of one (1) day. The parade is anticipated to begin at 10:30 a.m. and end at approximately 11:30 a.m. The proposed event would also involve a short ceremony at Pepper Park following the parade, which would include the installation of a temporary announcer's booth and table, and portable restrooms for event participants. The ceremony is anticipated to end at approximately 2:00 p.m., after which breakdown of the event would commence. The proposed event would be a free community event, and event attendance is anticipated to be approximately 300 people. The proposed event would require approximately 30 parking spaces at Pepper Park, however, there would be no exclusive use and/or closure of the parking lot so public access to the parking lot, as well as boat trailer stalls and boat launch ramp, would be maintained. The Pepper Park promenade, fishing pier, and public restrooms would also remain open for public use throughout the entirety of the proposed event.

The proposed event would involve the temporary closure of Tidelands Avenue prior to the parade start time between West 28th Street and West 32nd Street for parade check-in and staging, and from West 32nd Street into Pepper Park during the parade. The temporary street closure would take place from approximately 5:30 a.m. to 11:30 a.m., and would reopen following the final parade participant(s) passing through the route into Pepper Park. On-street parking along Tidelands Avenue would be temporarily unavailable during the closure. Signage related to the temporary street closure and usage of parking lot spaces at Pepper Park shall be posted a minimum of 72 hours prior to the proposed event. The closures at West 28th Street and West 32nd Street would be soft closures, allowing traffic and pedestrians to cross Tidelands Avenue during the times of closure prior to the start of the parade.

Due to its temporary nature and limited scope, temporary operation of the proposed event would generate a minor amount of vehicle trips and would require limited use of equipment. Therefore, impacts related to air quality and greenhouse gas emissions are not anticipated to occur. Furthermore, the Applicant would be responsible for complying with all applicable federal, state, and local laws, regarding construction demolition debris, hazards and hazardous materials, and stormwater.

Name of Public Agency Approving Project: San Diego Unified Port District (SDUPD)

Exempt Status: (Check one): □ Ministerial (Sec. 21080(b)(1); 15268);
□ Declared Emergency (Sec. 21080(b)(3); 15269(a));

District Project Number: 2026-132

□ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
■ **Categorical Exemption(s): Minor Alterations to Land (SG § 15304) (Class 4), Accessory Structures (SG § 15311) (Class 11), and Normal Operations of Facilities for Public Gatherings (SG § 15323) (Class 23)**
□ Statutory Exemption. State code number:

Reason Why Project is Exempt: The proposed project is determined to be Categorically Exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Sections 15304 (Minor Alterations to Land), 15311 (Accessory Structures), and 15323 (Normal Operations of Facilities for Public Gatherings), and Sections 3.d. and 3.i. of the *District's Guidelines for Compliance with CEQA* because it is a temporary event that would include the placement of minor structures accessory to the event that would result in no permanent effects on the environment, would not involve the removal of mature, scenic trees, and would consist of the normal operation of existing facilities for public gatherings. Sections 3.d. and 3.i. of the *District's CEQA Guidelines*, and Section 15323 of the CEQA Guidelines are as follows:

3.d. Minor Alterations to Land (SG § 15304) (Class 4): Includes minor alterations in the condition of land, water and/or vegetation not involving removal of mature, scenic trees, including, but not limited to:

(6) Minor temporary use of land having negligible or no permanent effects on the significant.

AND/OR

3.i. Accessory Structures (SG § 15311) (Class 11): Includes construction, or placement of minor structures accessory to (appurtenant to) existing facilities, including:

(3) On-premise signs.

(5) Placement of temporary use items such as portable restrooms.

AND/OR

Normal Operations of Facilities for Public Gatherings: Consists of the normal operations of existing facilities for public gatherings for which the facilities were designed, where there is a past history of the facility being used for the same or similar kind of purpose. For the purpose of this section, "past history" shall mean that the same or similar kind of activity has been occurring for at least three years and that there is a reasonable expectation that the future occurrence of the activity would not represent a change in the operation of the facility. Facilities included within this exemption include, but are not limited to, racetracks, stadiums, convention centers, auditoriums, amphitheaters, planetariums, swimming pools, and amusement parks.

The District has determined none of the six exceptions to the use of a categorical exemption apply to this project (CEQA Guidelines Section 15300.2).
