Sacramento, CA 95814

PROJECT TITLE: Authorize the use of City Forces for FY2027 Transportation Mill & Pave CIP Project (B27010)

PROJECT LOCATION-SPECIFIC: Citywide (see Attachment A)

PROJECT LOCATION-CITY/COUNTY: San Diego/San Diego

DESCRIPTION OF NATURE AND PURPOSE OF THE PROJECT:
The proposed action involves City of San Diego City Council (City Council) approval of the use of City Forces to complete the FY2027 Transportation Mill & Pave Project and the expenditure of funds not to exceed $12,000,000.00 from CIP AID00005, Street Resurfacing and Reconstruction (B27010, FY2027 Transportation Mill & Pave) for City Forces work-related expenses.

The planned street segments are outlined in Attachment A. Mill and pave treatments provide rehabilitation of the structural integrity of the existing street after damage has occurred, typically because of trench cuts for water, sewer, stormwater, and dry utility work impacting the street surface, or simply deterioration of the street over time. The milling and paving process involves the use of heavy machinery (i.e. cold planner) to grind and remove the top approximately 1.5 to 2 inches of existing asphalt, or deeper if needed. The milled surface is then swept and vacuumed to remove dust and debris. Once a clean surface has been established, an adhesive binder (i.e. tack coat) is applied. Finally, a fresh layer of hot-mix asphalt is laid down with a paving machine and compacted smoothly with heavy steamrollers to restore the original elevation and grade.

All work would occur within the public right-of-way (paved streets) or previously disturbed non-sensitive areas only. Stormwater Best Management Practices (BMPs) to prevent non-stormwater discharges from entering the City's stormwater conveyance system, as well as Traffic Control Plans (TCPs), will be implemented throughout construction.

NAME OF PUBLIC AGENCY APPROVING PROJECT: City of San Diego

NAME OF PERSON OR AGENCY CARRYING OUT PROJECT: City of San Diego Transportation Department, 2781 Caminito Chollas, San Diego, CA 92105. Contact: Philip Lowry, Deputy Director. Email: plowrey@sandiego.gov. Phone Number: (619) 527-7653.

EXEMPT STATUS:
( ) MINISTERIAL
( ) DECLARED EMERGENCY
( ) EMERGENCY PROJECT
(X) CATEGORICAL EXEMPTION: CEQA Guidelines Sections 15301(c) (Existing Facilities) and 15302 (Replacement or Reconstruction)
( ) STATUTORY EXEMPTION

( ) COMMON SENSE EXEMPTION

REASONS WHY PROJECT IS EXEMPT:
The City of San Diego conducted an environmental review that determined the project would not have the potential for causing a significant effect on the environment pursuant to State CEQA Guidelines Section 15301(c) (Existing Facilities) which exempts the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use, including existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities, including road grading for the purpose of public safety; and Section 15302 (Replacement or Reconstruction) which exempts the replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. The exceptions to the exemptions listed in CEQA Guidelines Section 15300.2 would not apply in that no cumulative impacts were identified; no significant effects on the environment were identified; the project is not adjacent to a scenic highway; and no historical resources would be affected by the action. As to the exception for hazardous materials, there are locations listed on GeoTracker and EnviroStor within 1,000 feet of the public right-of-way. While these locations are listed, there are no open environmental cases of known hazardous material contamination that would be disturbed which would otherwise preclude the use of a CEQA exemption pursuant to Section 65962.5 of the Government Code.
