DEPARTMENT OF PARKS AND RECREATION

NOTICE OF EXEMPTION

TO: Office of Planning and Research
1400 Tenth Street
Sacramento, CA 95814

FROM: Department of Parks and Recreation
2797 Truxtun Road
San Diego, CA 92106

PROJECT TITLE: 2018 Woolsey Fire - Malibu Sector Office Replacement

LOCATION: Leo Carrillo State Park

COUNTY: Angeles

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT: Leo Carrillo State Park is located 28 miles northwest of Santa Monica on Highway 1, along the Pacific coast, straddling between Los Angeles and Ventura counties. Mulholland Highway enters the park from the east. On November 08, 2018, a vegetation fire (Woolsey Fire) erupted in the hills near the community of Simi Valley, located northwest of Los Angeles. Within days, the fire rapidly spread, destroying or damaging a significant number of structures throughout the various State park units in the region.

This project will replace the damaged Sector Office building and include a new Training Facility Building at the existing sector office facility location within Leo Carrillo State Park. The overall site is approximately 200' x 400'. There will be multiple structures and site improvements including but not limited to:

Two buildings with one containing office spaces and the second the training facility. The new facilities will be built to current, applicable building code standards and may require modifications from what was previously constructed. The footprint may increase slightly to accommodate accessible features and fire department access and there may be adjustments to the site configuration.

Further project details and measures to be implemented to avoid and/or minimize environmental impact may be obtained by submitting a request to the project Environmental Coordinator listed below.

PUBLIC AGENCY APPROVING THE PROJECT: California Department of Parks and Recreation

NAME OF DIVISION OR DISTRICT CARRYING OUT THE PROJECT: Southern Service Center

EXEMPT STATUS:
☒ **Categorical Exemption**

Class: 2 **Section:** 15302

REASONS WHY PROJECT IS EXEMPT: No potential for significant impact to the environment is anticipated in compliance with CEQA §15300.2. If the project is implemented as indicated within the CDPR Project Evaluation Form, then it is exempt under CEQA §15302: Replacement or Reconstruction as…

- "Replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced" (Class 2, §15302).
