Notice of Determination

To: Registrar-Recorder/County Clerk
County of Los Angeles
12400 East Imperial Highway, Room 1101
Norwalk, CA 90650

From: Los Angeles County Public Works
Waterworks Districts
900 South Fremont Avenue
Alhambra, CA 91803

Responsible Agency: Waterworks District No. 29, Malibu through Los Angeles County Public Works

State Clearinghouse (SCH) No. 2017051008

Project Title: Trancas Creek Crossing Permanent Waterline (Phase II)

Project Applicant: Waterworks District No. 29, Malibu through Los Angeles County Public Works

Project Location: The Trancas Creek Crossing Permanent Waterline (Phase II) Project site is in Malibu, Los Angeles County, CA along Pacific Coast Highway (PCH), between Guernsey Avenue and Trancas Canyon Road (500ft south)

Project Description:

The project consists of installing approximately 400-linear-feet of permanent 18-inch steel waterline and removing approximately 420-linear-feet of temporary 16-inch High-Density Polyethylene bypass water main.

The project and related recommended actions are within the scope of the project in the Environmental Reevaluation/Addendum to the Mitigated Negative Declaration/Finding of No Significant Impact (MND) prepared and adopted by Caltrans as lead agency for their State Route 1 Trancas Creek Bridge Replacement project previously reviewed and considered by the Los Angeles County Board of Supervisors on June 9, 2020. The proposed Trancas Creek Crossing Permanent Waterline (Phase II) project is within the assumptions for construction and operation analyzed in the Addendum to the MND, which described the installation and proposed removal of the temporary bypass pipe.

Name of Public Agency Approving Project: Waterworks District No. 29, Malibu through Los Angeles County Public Works

This Notice of Determination is to advise that the Los Angeles County Waterworks District No. 29 through Public Works, as the responsible agency for the project, has approved the above-described project on September 2, 2025 and has made the following determinations regarding the project:

1. None of the conditions in the CEQA Guidelines, Sections 15162, 15163, and 15164 would require preparation of a subsequent, supplemental, or an addendum to the MND or further environmental documentation under CEQA.
2. The Environmental Commitment Record/Mitigation Monitoring program adopted by Caltrans with the approved MND will continue to apply and is incorporated in the proposed project, as applicable, and ensures that no new or substantially more severe impacts would occur than analyzed in the approved MND.
3. There are no changes to the project or to the circumstances under which the project is undertaken that require further review under CEQA.
