Project Title: West Park High School Classroom Building and Performing Arts Center Phase IV Project

Project Applicant: Roseville Joint Union High School District

Project Location (include county): Roseville, Placer County

Project Description:

The proposed project involves construction of two new buildings at West Park High School: a three-story academic classroom building (Building V) and a performing arts center (Building J). Together, the buildings would add approximately 75,695 square feet of building area to the campus and would have a maximum height of 55 feet. West Park High School is a comprehensive public high school serving students in grades 9 through 12 and is planned to accommodate up to 3,200 students at buildout.
