NOTICE OF DETERMINATION

Subject: Filing of Notice of Determination pursuant to Section 21108 of the Public Resources Code

State Clearinghouse Number: 2004121045

Project Title: Orangewood Avenue Improvements from Santa Ana River to East of SR-57 Project (Streambed Alteration Agreement No. EPIMS- ORA-57876-R5)

Project Location (Orange): The Project is located in the Santa Ana River, west of the State Route 57(SR-57) and east of Anaheim Stadium, in the City of Anaheim (City), Orange County, California.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement EPIMS Notification No. EPIMS-ORA-57876-R5, pursuant to Section 1602 of the Fish and Game Code to City of Anaheim.

The Project will widen Orangewood Avenue from a four-lane roadway to six-lanes by incorporating an additional through lane in each direction of travel. To widen the roadway, approximately 30 to 35 feet of additional surface will be constructed along the north side of the existing bridge structure, located over the Santa Ana River. To protect the six (6) pier foundations from catastrophic failure, the Project will reduce scour

through retrofitting. Staging will occur within the Project area, outside of the bed, bank, and channel of the stream.

Temporary impacts will be restored to pre-project conditions. The City will employ standard Best Management Practices (BMPs) and pollution prevention measures outlined in the submitted notification and conduct reporting as outlined in Measure 3.1

This is to advise that CDFW, acting as a Responsible Agency, approved the project described above on December 3, 2025, and has made the following determinations regarding the project pursuant to Section 15096, subdivision (i) of the California Code of Regulations:

1. The project **will** have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures **were** made a condition of CDFW's approval of the project.
4. A Mitigation Reporting or Monitoring Plan **was** adopted by CDFW for this project.
5. A Statement of Overriding Considerations **was not** adopted by CDFW for this project.
6. Findings **were** made by CDFW pursuant to California Code of Regulations section 15091.

The Final EIR prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office.
