SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2018122049

Project Title: Barker Valley Agro LLC (CCL-312)

Project Applicant: Chris Hristov

Project Location (include county): 241 North Meadow Lane, Hayfork (Trinity), CA 96041

Project Description: The The proposed cultivation project described herein (Project) includes the cultivation of up to 10,000 square feet (SF) of mixed-light mature canopy located in Trinity County on Assessor's Parcel Number (APN): 015-420-030-000. The applicant is seeking a Small Mixed-Light Cannabis Cultivation License from the County (CCL-312) and is also seeking an Adult-Use Small Mixed-Light Tier 1 Cannabis Cultivation License from the Department of Cannabis Control (DCC; CCL21-0002547, Expires on 2025-04-20). Cultivation activities include approx. 9,400sqft mature canopy in three (3) 30'x72' greenhouses (canopy is 25'x72' each) and two (2) 20'x100' hoop houses. Existing support infrastructure includes a permitted onsite groundwater well, two (2) 30'x100' hoop houses for immature canopy, 1,650sqft existing structure and three (3) 16'x40' loft barns for harvest storage and processing, a 20'x20' (400 ft2) detached garage for processing and harvest storage (4'x8' section for admin hold, and a 5'x10' section for Pesticide/Ag storage within the garage); five (5) 2,500-gallon and one (1) 5,050-gallon water storage tanks, and a 20'x20' compost area. The project proposes minor grading within previously disturbed area and no tree removal. Proposed infrastructure includes installation of one (1) harvest storage shed (10'x12') and drilling of an additional groundwater well on previously disturbed area, the conversion of two (2) temporary hoop houses to permitted greenhouses 20'x100' for mature growth, and conversion of two (2) temporary hoop houses to permitted greenhouses 30'x100' for immature growth. Temporary hoop house locations will be converted into mixed-light permitted greenhouses in the same footprint of the

current cultivation areas. There is a permitted onsite septic system onsite that services the project's wastewater needs. Power for the project is provided by TPUD. A more detailed project description can be found in the Appendix C Checklist.

This is to advise that the Trinity County Community Development Department- Cannabis Division has approved the above (■ Lead Agency or ☐ Responsible Agency)

described project on September 27, 2024 and has made the following determinations regarding the above described project. (date).

1. The project [☐ will ■ will not] have a significant effect on the environment.
2. ■ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
   ☐ A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [■ were ☐ were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [■ was ☐ was not] adopted for this project.
5. A statement of Overriding Considerations [☐ was ■ was not] adopted for this project.
6. Findings [■ were ☐ were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Trinity County Community Development Department- Cannabis Division (530 Main Street, Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21. 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
