Subject: Filing of Notice of Determination pursuant to Public Resources Code Section 21108

State Clearinghouse Number: 2018122049

Project Title: Culvert Installation Lake or Streambed Alteration Agreement No. EPIMS-TRI-55925-R1

Project Location (Trinity County): 680 Quinn Lane, Post Mountain, CA 96041

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement EPIMS Notification No. EPIMS-TRI-55925-R1, pursuant to Fish and Game Code section 1602 to Vong Lee.

The project is for required remediation and is limited to the replacement of a footbridge with a 36-inch diameter corrugated metal pipe or high-density polyethylene culvert. The newly installed culvert will be properly aligned within the stream channel. Since the depth of the existing channel is relatively shallow the culvert will be recessed below the stream bed by 6-inches. The final earthen cap over the culvert will be 12 to 18 inches depending on light or heavy vehicle use, to avoid crushing and deforming the culvert.

This is to advise that CDFW, acting as a Responsible Agency, approved the Project described above on July 17, 2026, and has made the following determinations regarding the Project pursuant to California Code of Regulations section 15096, subdivision (i):

Notice of Determination

1. The Project **will not** have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures **were** made a condition of CDFW's approval of the Project.
4. A Mitigation Reporting or Monitoring Plan **was** adopted by CDFW for this Project.
5. A Statement of Overriding Considerations **was not** adopted by CDFW for this Project.
6. Findings **were** made by CDFW pursuant to California Code of Regulations section 15091.

The Final EIR prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office.
