Project Title: Carpinteria Advanced Purification Project

Project Applicant: Carpinteria Valley Water District

Project Location (include county): Carpinteria, Santa Barbara County

Project Description:

The modified Project involves relocating a monitoring well cluster from Meadowlark Ln. to Well Site #6 that had previously been evaluated in the EIR for an injection well. The modified project also added an extension to the existing flood wall surrounding the Advanced Water Purification Facility site to include a 25'x75' area to house and protect electrical equipment, and would install a flood gate at the entrance to the facility.

This is to advise that the Carpinteria Valley Water District has approved the above (Lead Agency or Responsible Agency)

described project on Jan. 28, 2026 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
