Project Title: Lower San Joaquin River Project (LSJRP) Reach TS30L Revised Truck Haul Route

Project Applicant: San Joaquin Area Flood Control Agency (SJAFCA)

Project Location (include county): Western Stockton, San Joaquin County

Project Description:

The LSJRP Feasibility Report/Environmental Impact Statement/Environmental Impact Report (LSJRP FR/EIS/EIR) was certified in 2018. A Supplemental EIR for the TS30L Levee Improvement Project (TS30L SEIR), the first levee reach planned under the LSJRP, was certified in 2023. This addendum evaluates a revised haul route for TS30L construction and found the revised project would not result in new or more severe impacts than those discussed in the 2018 LSJRP FR/EIS/EIR or TS30L SEIR. **+**

This is to advise that the San Joaquin Area Flood Control Agency has approved the above
 Lead Agency or Responsible Agency

described project on 5/28/2025 and has made the following determinations regarding the above
 (date)
 described project.
