Project Title: *Foundation Plant Services Clean Plant Screenhouse Project*

Project Location: *University of California, Davis*

County: *Yolo*

Project Description: UC Davis proposes the Foundation Plant Services (FPS) Clean Plant Foundation Screenhouse Project to construct one new approximately 11,700 square foot screenhouse to protect and preserve grapevines. The construction of the screenhouse includes foundation, polycarbonate vestibules, and thrip-screened exterior. Screenhouse equipment, gravel walkway, LED exterior lighting, environmental control system, and plumbing and electrical systems, including an emergency generator, will also be installed. The new screenhouse will be located on the West campus adjacent to the existing FPS Greenhouse, which completed construction in 2024.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on *May 12, 2025* and has made the following determinations:

For an Addendum to an EIR:

1. *Addendum June 2022* to the UC Davis 2018 Long Range Development Plan (LRDP) EIR (SCH# 2017012008) was prepared for this project pursuant to the provisions of CEQA.
2. UC Davis 2018 LRDP EIR sufficiently analyzes and addresses potential environmental impacts from the project, and the project will not trigger any of the criteria requiring additional CEQA review pursuant to CEQA Guidelines Section 15162. The project will not result in new significant impacts or a substantial increase in the severity of the environmental impacts identified in the UC Davis 2018 LRDP EIR.
3. Mitigation measures from the UC Davis 2018 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable 2018 LRDP Final EIR mitigation measures will be monitored and reported pursuant to the 2018 LRDP Final EIR’s Mitigation Monitoring and Reporting Program.
5. The previous statement of overriding considerations in the 2018 LRDP Final EIR was reaffirmed for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the *Addendum June 2022* to the UC Davis 2018 LRDP EIR with comments and responses and record of project approval is available to the general public online at <https://environmentalplanning.ucdavis.edu/current-projects> and at: UC Davis Campus & Environmental Planning, 255 Cousteau Place, Davis, CA 95618, Attn: Heather Davis.
